The parties have mutually agreed that the health and hospitalization insurance program shall be Plans I, II, III and IV (High Deductible Health Plan) provided by the Hoosier School Benefit Trust with the provisions in effect July 1, 2013.

Enrollment in the corporation health and hospitalization plan will be closed except for qualifying events after September 1, 2002 or as required by the Patient Protection and Affordable Care Act.

If an employee's spouse is eligible for health insurance at his/her place of employment, the spouse will be required to enroll in his/her employer's health insurance plan if the employer pays at least

If the employee elects to continue secondary coverage for his/her spouse or dependents, the employee will be responsible for paying the additional premium required to provide this coverage.

B. Term Life Insurance:

A fifty thousand dollar (\$50,000) insurance group term life insurance policy shall be provided for each teacher. The Board will pay the entire premium except one cent (\$.01) which will be paid by the teacher. Any teacher on leave of absence from the Metropolitan School District of Decatur Township may continue membership in any insurance program provided by the school district during the leave period; however, the entire cost of the monthly premium shall be paid by the employee from the time the leave begins until one (1) month after the leave terminates and the employee returns to work. When a teacher terminates employment with the School District the Board's coverage will terminate the month following the month in which the teacher receives his last pay.

C. Dental Insurance:

The Board will contribute all but one cent (\$.01) toward the School Corporation's dental plan for single membership or any program mutually agreed to between the two (2) parties. The Board will contribute toward the family policy the same premium as a single policy, plus an additional \$6.00 per month.

D. Long Term Disability Insurance:

The Board shall purchase an LTD Insurance Program that provides for a minimum benefit of two-thirds (2/3) salary to age sixty-five (65) with a ninety (90) day elimination period. All teachers shall participate and shall pay the full amount of the premium in after tax dollars as a condition of employment.

E. Liability Insurance:

The Board agrees to maintain the current coverage liability insurance regarding teachers' automobiles being used for school purposes.

F. Wellness and Employee Assistance Programs:

1. Structure:

- a. The parties agree to jointly create wellness and/or employee assistance programs by a joint working group that will function during the contract term.

2. Program:

- a. To the extent feasible, the programs shall be available to all employee groups.
- b. The programs shall be self-supporting or funded by new revenue sources.

G. Section 125:

An IRS Section 125 Flexible Benefit Plan Generation One for the teacher’s share of premium paid for any combination of benefits under Article IX shall be available to teachers and retirees. An IRS Section 125 Generation Two for non-reimbursable medical expenses shall be available to teachers.

H. Family Medical Leave Act (FMLA):

Continuation of Corporation Payments for Fringe Benefits:

The school corporation’s payments in support of health and hospital, term life, and dental insurance shall continue during the FMLA leave.

I. Group Vision Insurance:

The Board will provide group vision insurance for each full time employee. The Plan provider shall be mutually selected by the Board and the Association. This plan shall provide for one examination, one set of lenses and one set of frames annually with a \$10.00 co-payment for the examination and a \$10.00 co-payment for the lenses. All employees will be required to participate in the program. The Board shall pay the annual employee premium cost.

J. Retirement Program:

Factors hereinafter stated shall constitute the retirement program of the corporation and shall be counted as a part of the cost of any salary agreement between the Board and the Association. The Board shall provide the following benefits for all members of the bargaining unit.

1. IRS Code Section 401(a):

Effective during the term of this Agreement the parties agree that the Board shall contribute an amount equal to 2% for 2016-2017 of each teacher’s base salary to the corporation’s 401(a) plan on a semi-monthly basis. The provider of the plan shall be selected as provided for in subsection 4 of this section. Bargaining unit members will become vested in this program according to the following schedule. Until such time of becoming vested all monies contributed by the Board shall not be available to the employee and upon termination of employment for any reason, other than total disability, the non-vested Board contributions shall be used to offset the contributions for that year. In the event of termination due to total disability, the affected employee will be considered as vested.

Vesting Schedule:	5 years of employment	50 %
	10 years of employment	100 %

Years counted for vesting are all Decatur Township years of service since the employee was hired. A year of service will be defined according to INPRS (formerly TRF) guidelines.

2. IRS Code Section 403(b):

Effective during the term of this Agreement the parties agree that the Board shall make the following contributions to the teacher’s 403(b) plan:

2016-2017	1%
-----------	----

These contributions shall be from the teacher’s established 2016-2017 base salary if the teacher’s contribution to such plan equals or exceeds ½ % of salary.

3. VEBA (Voluntary Employee Benefit Association):

Effective during the term of this Agreement the parties agree that the Board shall contribute an amount equal to one percent (1%) of each teacher's salary from the established salary schedule to the corporation's VEBA plan on a semi-monthly basis. Starting May 31, 2005 for all teachers employed after this date the VEBA contributions shall start during the teacher's third contract with the school corporation. On the date of the second payroll in May of a teacher's second contract year the Board shall make a one-time contribution equal to one and one half (1 ½%) of the teacher's current salary to start their VEBA program. Bargaining unit members will become vested in this program upon attaining the age of 55 and qualifying for retirement benefits under the provisions of the Indiana State Teachers Retirement Fund. In the event of termination due to total disability, the affected employee will be considered as vested.

Separate Accounts. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the selected investment vendor for the VEBA.

Vesting. Until such time that an employee has retired and satisfied the eligibility requirements the employee shall have no access to the assets held in his or her separate VEBA account.

Forfeiture. If an employee retires or otherwise terminates employment before satisfaction of the requirements for any reason, the terminated employee's VEBA account shall be forfeited. The parties acknowledge forfeitures prior to the 2016-2017 contract will be handled in accordance with the contractual provisions in place at the time the forfeitures occurred. Forfeited amounts shall be reallocated evenly at the end of each plan year only among the then-remaining separate VEBA accounts. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:

- a. Employees who have forfeited their VEBA accounts in the same year;
- b. Employees who previously forfeited their VEBA accounts; and
- c. Employees who retire in or before the year of the reallocated forfeiture.

Rehired Employees. Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the School Corporation. However, if the Board shall have approved a leave of absence of not more than one (1) fiscal year for an employee, such period of leave shall not result in forfeiture provided the employee shall promptly return to employment following the expiration of the period of the leave.

4. Joint Steering Committee:

A joint steering committee shall be maintained by the parties with four (4) Board representatives and four (4) Association representatives. The committee shall be charged with the responsibility of selection and/or replacement of the plan service vendor by mutual agreement.

5. Sick Leave Bonus:

Any teacher who has accumulated one hundred twenty (120) days of sick leave at the end of their final year of service with the school corporation and is considered vested under the provisions of sub-section 3 above shall have the sum of two thousand dollars (\$2000) added to their final teaching contract.

6. Annual Medical Leave Buy Out

For each Teacher (participant) who has at least one hundred fifty (150) accumulated paid medical leave days as of the beginning of the plan year, the Employer shall contribute fifty (\$50) dollars per day to the participant's VEBA plan as established by the School Board, for each of the unused days over one hundred fifty (150) to a maximum of 5 unused days per year. Notification of this transfer of funds will be included with the first pay of the new school year.

7. Insurance Participation:

Retirees from the school corporation and their spouses shall be allowed to remain on the group health and dental plans at their own expense until the first (1st) day of the month following their eligibility for Medicare. A retiree is defined as a teacher who meets the criteria as established by state law (IC5-10-8-2.6).

8. Total Disability:

To qualify for total disability, a teacher must be adjudged permanently disabled by the Indiana State Teachers Retirement Fund (ISTRF).

ARTICLE V – LEAVES OF ABSENCE

A. Excused Leaves of Absence with Pay:

1. Medical Leave Days:

Each teacher shall be entitled to be absent from work on account of medical/illness reasons, for a total of twelve (12) days each year without loss of compensation. The teacher may also use accumulated illness days in case of illness or accident, or for surgery involving a member of the teacher's immediate family in need of medical care. The term "member of teacher's immediate family", as used in this paragraph, shall include husband, wife, mother, father, child, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, grandparent, grandchild, or dependent living in the teacher's household. Any unused leave days shall be accumulated on an unlimited basis. Teachers shall notify their principal and/or designee as early as possible whenever it is necessary to be absent from school. Teachers who are transferring into the School Corporation for the first time who have accumulated leave in another Indiana school corporation will transfer all of the accumulated leave to this School Corporation. Accumulated leave will be added beginning with their second year of employment in the Metropolitan School District of Decatur Township at a rate of five (5) days per year, which is in addition to the twelve (12) days outlined above. Teachers employed on a temporary contract for the full year shall receive twelve (12) days. Teachers employed on a temporary contract for less than a school year shall receive one (1) day leave for each twenty (20) working days employed. Teachers shall make every effort to schedule medical and dental appointments outside school hours or during the summer. The Board recognizes that, particularly in the case of specialists, this is not always possible. In the event a teacher has an on-the-job injury, the Board will compensate such teacher for lost earnings with no leave days to be charged.

2. Personal Business Leave:

Each teacher may be permitted three (3) days for the transaction of personal business and/or conduct of personal or civil affairs during each year of employment as permitted by law. The staff is encouraged not to use personal business leave to extend school calendar holidays and breaks. Unused personal business leave days may be accumulated the following year as personal business leave days up to a maximum of five (5). Excess personal business leave days accumulated beyond five (5) shall be added to the medical illness leave days to which such teacher may otherwise be entitled which is described in Section A, 1. If the teacher does not wish to accumulate these days as medical/illness, the teacher may turn each day in excess of five (5) in for \$100.00. Personal business days may be taken on a one-half (1/2) day basis. Teachers employed for less than a full year shall be entitled to one (1) day during each semester of employment.

3. Bereavement Leave:

Up to seven (7) calendar days leave of absence will be granted a teacher for death in the immediate family. The seven (7) days may commence the day of death or the day after death at the teacher's discretion. Immediate family is defined under Section 1. Up to three (3) days of absence will be granted for death of a brother-in-law, sister-in-law, aunt, or uncle. When a teacher has exhausted his bereavement leave and current personal business days, the teacher at his discretion may use medical illness leave in cases of emergency. The teacher will notify the Superintendent of the need for emergency use as soon as possible after the emergency arises. Emergency means an unforeseen combination of circumstances resulting in an urgent need for relief. A teacher will be granted one (1) leave (day of funeral) in the case of other family members or when serving as a part of the service for the deceased. Requests for bereavement leave for the day of the funeral for someone outside the family may be covered by personal business day.

4. Court Leave:

Teachers will be granted leave for jury duty or when subpoenaed to appear as a witness in court, except when the teacher or Association is a party in a suit against the School Corporation or other personal suits which are not job related. The teacher will receive regular salary while on jury duty or witness appearance. The teacher shall secure from the court and deliver to the school corporation business office verification of court duty. All of the payment for jury duty or the entire fee for appearance as a witness shall be retained by the teacher as the payment for all related expenses.

5. Professional Leave:

The Board of Education does encourage teachers to actively participate in meetings of local, state and national educational organizations or school visitations. The payment of reasonable expenses incurred in attendance and the salary of substitutes, when necessary, will be carried in the budget as in-service education items. A minimum of seventy-five (75) days per school year will be available to the teachers for professional leave.

- a. Requests for permission to attend professional meetings or visitations must be in writing and filed with the Principal in sufficient time for approval by the Board or their designee.
- b. A written report shall be filed with the Principal and then transmitted to the Superintendent on the activities of the conference with recommendations, if any, for use in our School District.

- c. Expenses paid by the School Board include:
 - 1) Total tourist airfare, bus or train fare. Teachers using a personal vehicle for travel will be reimbursed at the rate that the IRS allows for business deduction on Federal Income Tax returns December 31 of the preceding year. Payment to an individual using personal automobile shall not exceed tourist airfare.
 - 2) Registration fees.
 - 3) Motel or hotel lodging.
 - 4) Fifty dollars (\$50.00) per diem for food if not included in item 2. This item applicable only when the trip extends more than one (1) day (overnight).
 - 5) Taxi and baggage handling (subject to individual approval).
 - 6) All expense items must be approved prior to attendance of meetings, conferences, or school visitations and should be submitted to the Superintendent's office in a timely fashion.
- a. Criterion for granting of leaves within the building and the departments will be considered but not limited to criteria published by the Board, for any given year.

6. Association Leave:

The Association shall be provided with fourteen (14) days and twelve (12) hours released time for its President(s) or designee each year without loss of pay.

ARTICLE VI – SICK LEAVE BANK

The purpose of the Voluntary Sick Bank (hereinafter referred to as the Bank) is to provide medical/illness leave to contributors to the Bank after their accumulated medical/illness leave has been exhausted – and more specifically to provide such leave from the Bank in cases of prolonged illness. The Bank rules and guidelines are as follows:

A. Voluntary Sick Bank Committee:

- 1. The Bank will be operated on a voluntary basis. A committee shall be formed to administer the Bank and to provide the information whereby the business office of The Metropolitan School District of Decatur Township will keep the records. This committee shall be empowered to adopt rules and regulations and to make decisions required to administer the Sick Leave Bank, so long as those rules, regulations and decisions do not modify the Agreement contained herein. This committee will be titled the Voluntary Sick Bank Committee (hereafter referred to as the SBC). The SBC shall be composed of the following five (5) persons:
 - a. Superintendent of Schools of the Metropolitan School District of Decatur Township or his designee and one additional individual appointed by the Superintendent.
 - b. The Decatur Education Association President(s) or his designee and two additional members of the bargaining unit appointed by the Association President(s).
- 2. Should a vacancy occur on the SBC, a replacement for the vacant position shall be appointed by the authority making the original appointment.
- 3. One of three bargaining unit SBC representatives will be selected to act as a chairperson of the SBC. The Decatur Education Association President(s) will designate the chairperson prior to the first meeting of the SBC.

4. The SBC will be responsible for developing the forms needed to operate the Bank.

B. Effective Date:

1. The effective date of the Bank will be the first (1st) contract date of the current school year. Enrollment in the Bank by licensed personnel will be April 1 (one) of the preceding school year and end four (4) weeks following the first (1st) day of employment for any licensed personnel employed for the current school year.

C. Membership:

The Bank shall be established for all bargaining unit members who indicate their desire to participate by contributing the individually required number of days.

D. Guidelines:

The Bank shall be administered by the SBC in accordance with the following provisions:

1. The Bank may be used only by the individual contributor for medical/illness reasons.
2. Days from the Bank may be used only for those workdays that the individual contributor is employed under a Regular Teacher Contract.
3. Any person desiring to participate in the Bank will initially donate one (1) day of his accumulated medical/illness leave to the Bank. Additional days may be requested by the SBC as the need arises.
4. A Sick Bank member, who terminated employment with the School District, and returns, must contribute one (1) additional day upon re-employment in order to reinstate membership.
5. If the number of days in the Bank falls below thirty (30) days prior to the end of any school year, each participant will be required by the SBC to donate one (1) additional day of his accumulated medical/illness leave to the Bank. If a member has used all his medical/illness leave, the additional day will be donated as soon as new medical/illness leave is accrued.
6. All days once donated to the Bank become the property of the Bank.
7. The maximum dollar expenditure during the school year is forty thousand dollars (\$40,000) for 2016-2017. If this amount is reached at any time during the period, the Bank will explore emergency operating procedures for the remainder of that period. The expenditure counted against the bank will include only the salary paid the teacher while using days from the bank.
8. All requests to receive grants from the Bank must be submitted in writing to the SBC on prescribed Form SBC-1 as presented in the Appendix of the Agreement.
9. Any person submitting a request to use the Bank must have made his proper contribution and met all eligibility requirements. If a person is physically unable to submit the forms, the forms may be submitted by a proxy.
10. A person will not be able to withdraw days from the Bank until his own accumulated medical/illness leave and personal leave is depleted. Days granted from the Bank can only be used for extended illness or disability. (The SBC will generally consider an extended illness one that involves ten (10) or more working days.)
11. Periodic review by the SBC of all Bank use will be made and the SBC may grant additional days at the time of review. Days granted from the Bank may not be granted for the period of disability when monies are paid to the employee under the Workman's Compensation Law or if the employee has qualified for long-term or short-term disability benefits.

12. Days will be granted at a rate equal to the per diem rate of pay for a beginning teacher on the adopted salary schedule, at the Bachelor's 0 rate. The SBC will review and send to the School District business office its decision concerning all requests to draw on the Bank within ten (10) working days after such request is received by the Committee. The Committee will also make its decision known to the applicant within this ten (10) day period.

E. Repayment of Days Granted:

1. After accumulating a minimum of seven (7) medical/illness leave days, the recipient of Sick Bank days who continues in the employment of the School Corporation shall repay the Sick Bank the borrowed days. At the beginning of each school year a teacher who owes days to the bank shall be credited with seven (7) medical/illness days and the balance of days available shall be credited to the bank until the bank is repaid.
2. This repayment shall be at the following rate:
 - a. One day for each day taken while the teacher is at 12 years or less on the Bachelor's column or at 9 years or less on the Master's column.
 - b. One day repaid for every 1.5 days taken while the teacher is at 13 – 19 years on the Bachelor's column or at 10 – 19 years on the Master's column.
 - c. One day for every two days taken from the bank when the teacher is at the top of either the Bachelor's or Master's column of the salary schedule.

This repayment shall be calculated from where the teacher is on the salary schedule at the time of repayment, not at the time the days were borrowed from the sick leave bank.

3. A recipient who leaves the School Corporation and still owes days to the Sick Bank must transfer accumulated medical/illness leave and personal business leave days, if available, to the Sick Bank as repayment toward the days granted.

F. Appeal Board:

1. An appeal Board will be established composed of the following six (6) persons:
 - a. The Superintendent of Schools or his designee.
 - b. The Association President(s) or his designee.
 - c. Four (4) members will be appointed-- two (2) each by the Superintendent and the Association President(s).
 - d. No appointed member of the SBC may at the same time be a member of the Appeal Board.
2. The Association President(s) or his designee will act as chairman of the Appeal Board.
3. If a request for use of leave days is denied by the SBC, then the applicant may appeal the Committee's decision to the Appeal Board within ten (10) working days after the denial. Any decision by the Appeal Board must be a majority vote. A tie vote will automatically support the SBC decision. All decisions of the Appeal Board are final and binding.
4. The Appeal Board will rule on any appeal within ten (10) working days after receiving the appeal in writing.
5. The Voluntary Sick Bank is excluded from the Grievance Procedure.

G. Members Agreement:

1. A member shall be required to furnish a medical report from a licensed physician at any time before or during the time of use of the Bank. The medical report will be at the member's expense. The SBC reserves the right, if necessary, to limit the number of days granted.
2. In consideration of the benefits of participating in the Bank, each applicant for membership in the Bank and for benefits from the Bank shall, as a condition to such application, agree in writing substantially as follows:

"I specifically acknowledge and agree that the granting of days from the Voluntary Sick Leave Bank shall be at the sole discretion of the Sick Bank Committee or, in the event of an appeal, the Appeal Board and that all decisions of the Sick Bank Committee or the Appeal Board will be final and binding and not subject to grievance. I further agree to abide by such decision and to indemnify and hold harmless the Decatur Education Association and the Metropolitan School District of Decatur Township, the Sick Bank Committee and the Appeal Board and all of their agents for any loss they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by any of them concerning this application." When an employee donates days to the Bank, he agrees to the above stated rules for administration of the Bank and agrees to abide by the stated rules.

H. Annual Report:

An annual report of the Bank will be published for each year the Bank is in operation. This report will be published by the Association and approved by the Superintendent of Schools or his designee prior to publication. The report shall include a statement of the number of days contributed to the Bank, the number of days granted from the Bank, the number of days remaining in the Bank, the total cost of the days granted, and the remaining cash balance available for the Bank.

ARTICLE VII - GRIEVANCE PROCEDURE

A. Purpose:

1. Good morale is maintained, as problems arise, by sincere efforts of all persons concerned to work toward constructive solutions in a manner that will be consistent with principles of good management conducted in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise and that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any teacher having a problem or grievance to discuss the matter informally with any appropriate member of the administration.

B. Definition:

A "grievance" shall mean a complaint by a teacher or teachers, that there has been a violation, a misinterpretation, or inequitable application of any provision contained in this Agreement between the Board and the Association and shall be resolved through the procedure set forth herein.

C. Process:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.

1. Step One:

In the event that a teacher believes there is a basis for a grievance, and within thirty (30) working days of the time the grievance arises, he shall first discuss the alleged grievance with his immediate supervisor or building principal, whichever is appropriate, during lunch and/or preparation periods or after working hours by appointment. If the grievant is not satisfied with the disposition of the grievance by informal discussion, and within ten (10) working days of the time of the informal discussion, he may then submit a written "Statement of Grievance" to the building principal or his designee signed by the grievant. (See form in Appendix) The "Statement of Grievance" shall name the teacher involved, shall state the facts giving rise to the grievance, and shall identify all the provisions of the Agreement alleged to be violated by appropriate reference, shall state the contention of the grievant with respect to these provisions, and shall indicate the relief requested. Within five (5) working days after presentation of "Statement of Grievance", the Building Principal shall give his written answer to the teacher.

2. Step Two:

If the grievant is not satisfied with the disposition at Step One, the grievant may, within five (5) working days of his receipt of the Principal's answer, submit his grievance to the Superintendent or his designee. The Superintendent or his designated representative shall give the teacher an answer in writing no later than five (5) working days after receipt of the written grievance. If further investigation is needed, additional time may be allowed by mutual agreement of the Superintendent or his designee and the grievant.

3. Step Three:

In the event that the aggrieved teacher is not satisfied with the disposition of his grievance at Step Two, or in the event no decision has been rendered within two (2) weeks after the receipt of the grievance, he may, within five (5) school days, submit his grievance to the School Board by filing a copy thereof with the secretary or other designee of the Board. The Board, not later than its next regular meeting or two (2) weeks, whichever may be later, may hold a hearing on the grievance, in open or executive session and may review such grievance in executive session. The procedure to be used shall be selected by the teacher. The Board shall render a written decision within one (1) week following the next regular Board Meeting, which is after the hearing.

**ARTICLE VIII
CONCLUSION AND DURATION**
